

In KS2 we are world aware

Question, investigate, empathise, accepting, interpret, evaluate, apply, appreciate!

- ask and consider an open ended question and use this to develop other enquiry questions.
- from a variety of sources, gather, select and organise information in different ways.
- develop a sense of curiosity.
- watch, listen and identify important information.
- summarise the key information from each source.
- analyse events and issues.
- identify and describe connections and contrasts.
- draw meaning from evidence gathered.
- consider own position in relation to the information.
- recognise subjectivity.
- consider how the information might affect own thoughts, ideas and opinions.
- give a viewpoint based on a collection of evidence and draw conclusions.
- examine the role and impact on people and how this may apply to people's lives and make associations.
- explore and make personal informed responses to big questions.
- discuss own and other spiritual experiences.
- present arguments, conclusions and perspectives with supporting evidence.
- express your own ideas and opinions in response using words, music, art or poetry.
- listen with care and respect, empathising with others.
