

## **LOCAL SCHOOL JOINS THE DIAMOND LEARNING PARTNERSHIP TRUST**

Burrowmoor Primary Academy has joined The Diamond Learning Partnership Trust (TDLPT). The new Leadership team have been in the school since September 2023 and together with the existing team and the supportive parent body have begun to drive the school forward.

Children are able to speak eloquently about their learning whilst also describing the enjoyment they have in school. Children in Year 6 have become play leaders and line leaders, and this additional responsibility ensures that children are happy and challenged at break and lunchtime.

The Headteacher, Mrs R Bailey, who was previously Head over two schools in Wisbech; Murrow and Gorefield Primary Academies commented: "This challenge is one I am relishing – getting to know our families and children has been wonderful. Together with my new Senior Leadership team and the existing school team, we are all excited to see what the future can bring to this wonderful Fenland school."

Burrowmoor has a thriving Forest school, Before & After school club provision; a large and expansive playground and field; an exciting and challenging curriculum; busy and empowered school council; engaged and enthusiastic staff and well established links with the local community which we will continue to explore further.

Our Nursery is open and also has a few spaces for 2 year olds and over – visits welcome.

*An open day is planned for Saturday 6<sup>th</sup> January 2024 – 10am – 1pm. Why not visit to explore the school further? We are welcoming applications for all year groups. We also have plans to open our Forest school area up to Local play groups and child minders – further information will be posted locally and on our website.*

### **Diamond Learning Partnership Trust**

#### ***Nurture, Inspire, Flourish***

The aim of The Diamond Learning Partnership Trust is to create schools where every child achieves the highest possible standards through a relentless focus on high quality teaching and learning.

The Diamond Learning Partnership Trust (TDLPT) is focused on transforming children's lives and therefore life chances through a clear focus on unlocking every child's abilities. Our primary objective is to provide the perfect balance between an excellent education, uncompromising pastoral care and the nurtured development of every individual child's qualities.

#### **Curriculum**

We believe that distinctiveness of our schools is a key strength of our Trust. Each of our schools has an identity and place in the local community; this enables them to make conscious decisions about the curriculum offered. Each school follows the National Curriculum and provides a rich, broad and balanced curriculum which is used as a vehicle to deliver a high-quality education appropriate to their pupils.

The Diamond Learning Partnership Trust works collaboratively with its Headteachers and Senior Leadership Teams; empowering them to develop and embed strategies that will produce the best outcomes for the children in their individual schools. With an outstanding education, every child has the freedom to choose their own future.

As a Trust we work with partners across the sector to seek out, develop, implement and share best practice. This is facilitated through a strong collaborative network of professionals. We believe passionately in sector led improvement and embrace world class systems, maximise sharing of resources, expertise, knowledge and opportunity within the Diamond family and beyond.
