

Week Beginning 28.09.26
This week we will be learning.....

Phonics: - more Level 1a sounds. We will learn the phonemes 'p' 'i' 'n'. We will also learn Helpful Words 'at', 'sat' 'it' 'in', 'an' and 'am' – these are the words we can read using the sounds we have learned.

Maths: - the children will explore how numbers can be composed of 1s and, from this, begin to investigate the composition of 3 and 4. Composing and decomposing numbers involves children investigating part-whole relations, e.g. seeing that 3 can be composed of 1 and 2.

Topic: - Who are you? We will be exploring our families and celebrate families of all different shapes and sizes.

Nursery Rhyme of the week: - Hickory Dickory Dock

How you could help your child:

- Play I spy with your child using initial sounds or by sounding out the word e.g. I spy with my little eye a c-a-t.
- Find groups of things in the house that begin with a 'p' 'i' or 'n' sound. Also include 's' 'a' and 't'.
- Use the sounds in short words when you ask them to do something, for example - "let's get ready for b-e-d (bed)", "get your h-a-t", "put on your s-o-ck", etc.
- Practise counting out loud with your child from 0-10 and back from 10-0. Plus use fingers to show the different ways to make numbers up to 3 or 4.

Please feel free to share any photos of activities or special moments on your child's portfolio on Class Dojo – it is lovely to see activities the children are doing at home.

Thank you for your support in helping your children as they settle into school life ☺
