Dear Parents/Carers

Once again we are being told by parents that their children have head lice. We would urge all parents to take responsibility over checking their child's hair on a daily basis. It only takes one or two parents to forget to check hair for this problem to continue.

Attached to this letter is an information sheet which should be followed. If you require any further information please do not hesitate to let us know.

This is an extremely important issue and one which we would like rectified as soon as possible.

Yours faithfully

Miss C Henderson
